

Member Associations of the Canadian Curling Association Proof of Residency Requirements

Use this form if:

- You have been requested to show proof of residency by a Provincial/Territorial Member Association.
- You are requesting residency to compete in provincial play downs in a Province/Territory and you have not been a permanent resident of that province/territory by the September 1 deadline

Background from the Canadian Curling Association (CCA) Policy on Residency Requirements to Compete in a National Championship:

- All national curling championships involve the participation of teams that are made up of individuals who are full-time residents within the geographic area of each Member Association. To ensure that all individuals are treated equally a policy has been agreed to that clearly outlines what an individual must be able to provide to be considered a resident for playdown purposes. (EXCEPTION: Brier and Scotties teams are allowed one Free Agent)
- It is understood that an individual can only participate in one province/territory in any championship season. (Explanation – an individual may only participate in the playdown process in one Member Association in one championship year – this includes all championships that lead to a national. These include Masters, Juveniles, and The Travelers Club Championship, etc. It is understood that the Canadian Mixed, held in November, will be part of the previous year's group of competitions even though it is dated in the following year. For example, the 2015 Canadian Mixed held in November of 2014 will be considered a part of the 2013/14 Championship season for residency purposes.
- For all Canadian Championships, with the exception of an accepted Free Agent, individuals MUST be a permanent resident of the province/territory in which they wish to enter playdowns prior to September 1st of the year preceding the championship season. This time frame may be shortened in the following circumstances:
 - Transfer due to employment
 - School attendance
 - Military service and transfer
- For Canadian championships that do not lead to World Championships, there may be unique circumstances that allow a curler to be residing outside of Canada and still be eligible to compete. These will be approved by the respective Member Association (for example – Point Roberts, Washington residents may be eligible to compete in Curl BC events leading to Canadian Juvenile, Master and Travelers competitions if granted an exemption by Curl BC).
